

BILLABONG HIGHLIGHTS

Excellence and Success in a Supportive Community

Term 4 Week 7B

21 November 2016

PRINCIPAL

On behalf of Billabong High School I would like to express sincere condolences to the family and friends of Glen Cook, who was tragically killed last week in a vehicle collision. Three of Glenn's children attend Billabong High School. Glen also regularly worked in the school canteen. He was a well-respected member of our school community and the broader community, and was known by many students and staff members. A range of supports are in place for students who require it. Parents are encouraged to speak with their children and to contact the school if they wish to seek further support.

This week is the second week of our new school year and students should be well on track with their learning direction for the new semester. All students should now have the books and resources they need. If ever parents are struggling to supply the required items, please contact the school

for assistance.

Best wishes to Mrs Morgan and the staff who are leading the Year 9 excursion to Melbourne later this week. Fantastic opportunities like this are made possible because we have committed staff who support these types of excursions. We look forward to seeing photos.

Last week my partner gave birth to our second baby boy, Jude. Both Rebecca and Jude are healthy and at home in Henty now with family support. I thank the many people from our school community who have wished us well.

House Captains

Students from the senior years who wish to apply for the position of House Captain will need to collect an application form from outside the PE staff room. Applications close this Friday, voting will take place in week nine.

Milliken Cup Cricket

The Year 7 and 8 Milliken Cup team will play a match against St Pauls College on Tuesday 29th November. The 35 overs a side game will be played on the Billabong oval starting at 9.30 am.

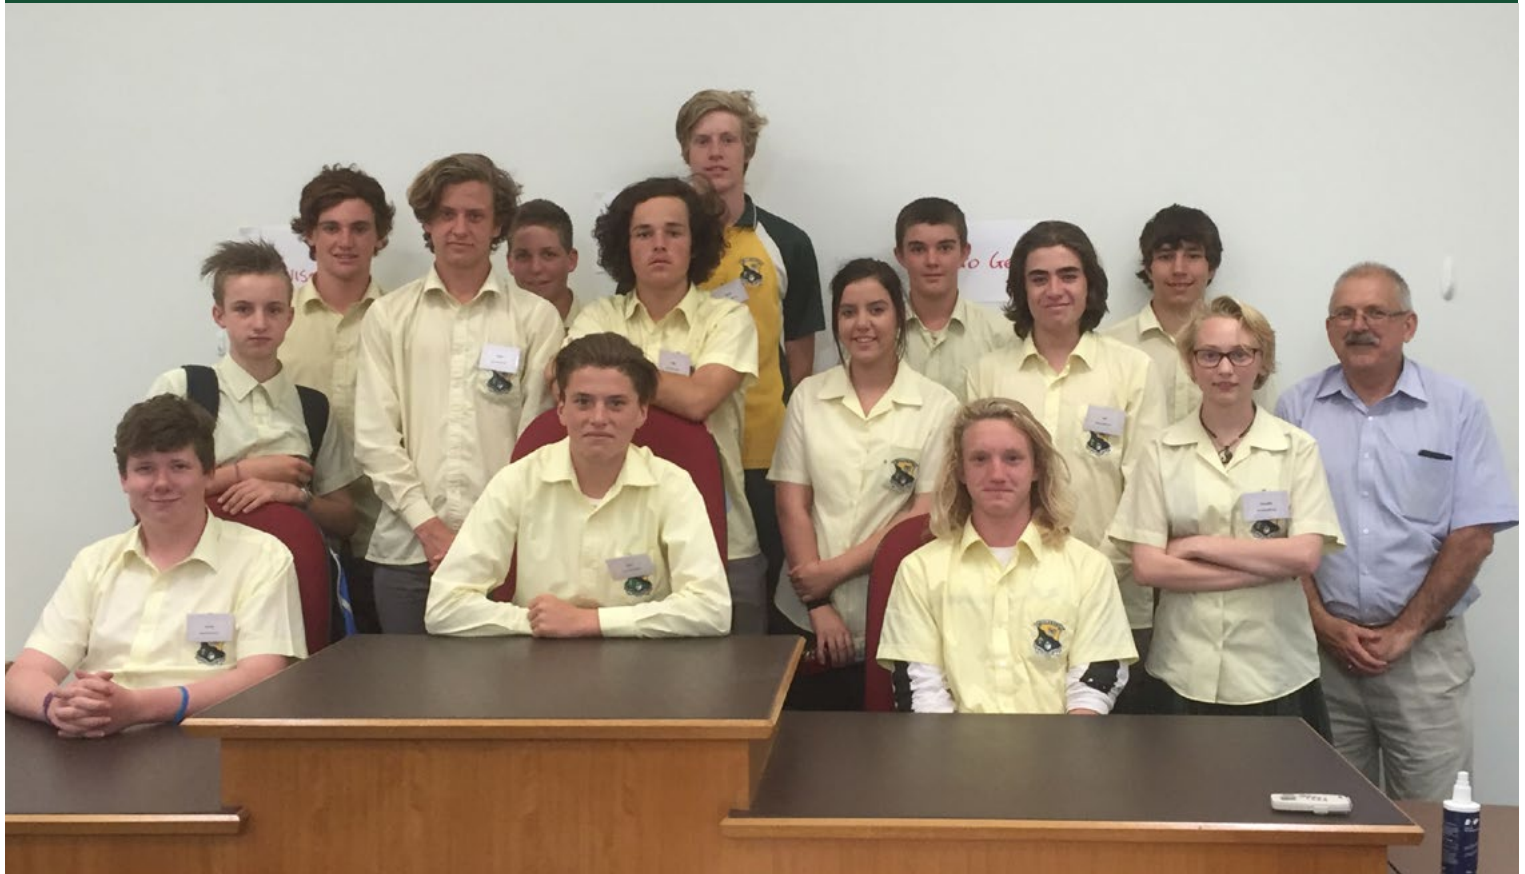

As it turned out, Billabong's loss to Corowa put them out of division one and into division two rather than out of the competition all together.

Work Inspirations Day

On Friday 18th November, 14 students from Year 10 had the opportunity to think about their future and investigate a range of career options—by participating in a work inspirations day hosted by the Greater Hume Shire Council. Students investigated their own personality profile; toured behind the scenes of local council to see what careers exist; interviewed key personnel; and, took on a task of brainstorming possible future activities for youth in our community.

Thank you to Mr Steve Pinnuck, the General Manager of Greater Hume Shire for organizing a very full day, and all his staff that gave up their time to talk and show us around.
