Albury Show - Agricultural Show Team

P and C Meeting

A "special" P and C meeting is being held this Tuesday night (6.11.18) at 6:00pm in the school Common Room. The meeting has been called by the P and C to discuss the future directions of the school canteen. I hope as many parents as possible can attend and have an input into the decisions that are being made.

The School Show Team

Last Friday and Saturday, the School Show Team competed at the Albury Show. The team performed well including achieving a second place for judging "on the hoof". Thank you to Mrs Parker who prepared our students for the show and provided guidance to the students whilst they competed. The Show Team has had a very long and successful history at our school. It's pleasing to see the tradition continues and that our students are given the opportunity to develop skills and knowledge in an area they are passionate about.

Term 4

Term 4 is traditionally a very busy term with final assessments occurring, HSC exams taking place and preparations commencing for the next school year. Final arrangements are presently underway for the upcoming Year 9 excursion to Melbourne and the Year 10 Peer Support Camp to Lake Hume. We will also celebrate the graduation of our Year 12 students next week as well as having a talented group of performers travel to Sydney at the end of November to perform in the Department of Education's School Spectacular. I know many more activities are occurring and I will look forward to watching, hearing or reading about our many successes.

Albury Show Agriculture Team

Albury Show report

On Friday 2nd and Saturday 3rd November our School Show Team attended the Albury Show with 2 steers from Mrs Margaret Pierces' Belanglo Park farm. Our 9 students four from Year 8 and five from Year 7 worked extremely hard in very trying conditions with high winds and humid conditions topped with poor visibility in the show shed. All students participated in the paraders competition and performed extremely well with most being their first time entering .

We had three students, Colten Atkins, Cameron Howard and Tyron Heritage enter the Junior judging program for the first time with Colten and Cameron being asked back to participate in the second round public speaking section . This effort matches the whole teams willingness to give up their lunchtimes and work after school preparing and learning about cattle preparation and the beef industry.

One of our steers came second in its class on the hoof and beat many other schools and private studs in doing so . Well done to Dylan Watt , Cameron Howard, Bianca Ulett, Charlotte Heir, Gabriella Phillips, Jemma

McCabe , Tyron Heritage, Aaron Heritage, Colten Atkins and to Josie Atkins for assisting in the days.

We now go to Ascot Meats with Year 9/10 Agriculture students on Tuesday to look at the results of the carcasse competition .

Year 7 and 8 Boy's Milliken Cup Cricket Round one.

Last Thursday, the Billabong Milliken Cup Team recorded a large round one win against Trinity College on their school oval. Trinity won the toss and sent Billabong in to bat first and the decision looked correct when Billabong were struggling at 4 for 49 in the 10 over. Solid and patient batting from Harry Kreutzberger (39) and clean hitting from Blake Roulston (42) enabled Billabong to push their total to 226 on the back of hard hitting and running from Nathan Wardius (60). While 226 seemed a large total, the ground was small and the outfield fast, so defending that score on a very hot day was going to take concentration and hard work. To the boy's credit, they bowled very well and received excellent support in the field, as witnessed by two run outs. Credit to the hard chasing Connor Murphy who saved many

runs through his desperation. Trinity were finally bowled out for 136 in the 35 and final over of their innings. Harry Kreutzberger completed a fine game taking 3 for 33 from his seven overs of leg spin. While Captain of the team, Nicholas Newton bowled superbly finishing with 2 for 14 from his seven overs. Rohan Jepson (1 for 21) and Nathan Wardius (1 for 26) and Nate Kohlhagen (0 for 12) did a great job in trying conditions. Well done to all the players who represented the school in fine style. Thanks to Thomas Newton, Ewan Mackinlay and Toby Murray who umpired the whole match and assisted with scoring. More details about the next game will be forthcoming.

Year 10 Social Dance Evening

The Year 10 Social Dance Evening has been put back one week and will now take place on December 5th at 7.30 pm in the Billabong Hall. Practice dance sessions will continue next week at the conclusion of the HSC examinations. More information will be forthcoming concerning this event.
